The West Valley City Police Department is seeking help from the public in locating a missing man. 80 year old Carl Park was last seen by a neighbor at his home near 4350 South 4800 West on August 4, 2017. Park's family reported him missing after stopping by Park's home and discovering that Park's vehicle was at the residence, but he was not. Park's bank accounts have not had any activity since before the last date he was seen. We would like to locate Park and ensure that he is safe.

Park is 80 years old, 5'7" and 140lbs. He has blue eyes and gray hair. It is not known what Park was wearing. Because Park's vehicle was still at his residence, it is believed that Park may be on foot.

Anyone who has information regarding the whereabouts of Carl Park is asked to contact West Valley City Police at 801-840-4000.
